Great Lakes Capital is a real estate private equity firm uniquely positioned to add value to real estate investments through development, redevelopment and opportunistically investing across the real estate spectrum and throughout the capital structure. We concentrate on several core asset classes, including office, industrial, retail, medical office, multifamily and other similar conforming product types as well as mixed use projects. Since 2005, our experience, long-term perspective and discipline have allowed us to grow to an asset footprint covering the expanded Midwest.

In addition to heavy value add opportunities, GLC also focuses on principal equity development, growing a portfolio of properties across these same asset classes. As a market leader in new development we actively address the needs of our tenant partners in addition to speculative development meeting needs the market has not yet reacted to. Our ability to leverage experience, capitalize on breadth of market knowledge and geographic presence, allowing us to react quickly to the changing markets, positions GLC as an ideal real estate partner.
